TO ALL GUBERNATORIAL APPOINTEES SUBJECT TO SENATE CONFIRMATION

The Iowa Senate has received your appointment for confirmation from the Governor's office. Enclosed is the questionnaire that must be submitted to the chair of the committee studying your appointment. Under Senate rules, your appointment cannot be voted upon until we receive your questionnaire.

We would appreciate your returning the questionnaire to the Secretary of the Senate's office as soon as possible in order to assist the committee with its duties. If you wish to send the documents by FAX, the number is (515)242-6108. Also, you should be aware that the information provided on the questionnaire will be made available to any citizen upon request.

You should also be aware the Senate rules require that each department head or head of an agency be introduced to the full Senate prior to a vote on his or her confirmation. No other appointees need appear before the Senate unless requested by five senators. If an appointee would like to appear before the Senate, he or she may do so upon request. However, the appointee must give my office at least one day's notice prior to the day they wish to be introduced.

Thank you for your cooperation.

Sincerely,

Michael E. Marshall
Secretary of the Senate
